ON TAP

CARLISLE LIGHTS

LAGER | 4.5% ABV | 10 IBUs

16oz 6 | 10oz 3.50 | 32oz 10.50 | 64oz 16

Our take on a macro light lager. Other than a touch of bread on the nose and a bit of citrus from the Centennial hops, this lager looks like a beer, tastes like a beer, and drinks like sunshine and summertime.

BILLY HAZE

NEW ENGLAND STYLE IPA | 6.5% ABV | 70 IBUs

16oz 6 | 10oz 3.50 | 32oz 10.50 | 64oz 16

Hazy, low bitterness, East Coast IPA. Flaked oats and honey malts give way to a soft citrus rind flavor and aroma with a pungent, dank hoppy finish.

HO'WIT'ZER

BELGIAN STYLE WHEAT | 4.5% ABV | 23 IBUs

16oz 6 | 10oz 3.50 | 32oz 10.50 | 64oz 16

A light-bodied and estery wit with phenolic notes of spice and clove, this bready wit is slightly sweet with a dry finish and touches of orange flavor from the citrus-forward Mandarina Bavaria hop.

SLOW MATCH

SMOKED STRONG ALE | 8.5% ABV | 20 IBUs

10oz 4.25 | 32oz 12 | 64oz 17

Heavy-hitting, smoked winter warmer. Brewed with cherrywood smoked malts, this heavy-hitting beer has notes of sweet and smoky malt while maintaining a sugary sweetness. As it warms, notes of cherry, raisin, and plum come forward, making this smoked ale the perfect winter beer.
